Newton Veterinary Hospital's Dr. Don Costlow gives a presentation at *Babies R Us* on "Safely Introducing Pets to the New Baby" on Saturday, July 12, 10:00 – 11:00am

Newton, NJ – Dr. Don Costlow, President of the Newton Veterinary Hospital (NVH), the largest veterinary hospital in Sussex County, will be presenting a talk at Mount Olive's *Babies R Us* on "Safely Introducing Pets to the New Baby" on Saturday, July 12, from 10:00 to 11:00am.

Welcoming a new baby into the family is a joyous occasion, but often raises questions for parents who have concerns about having a pet around their little one. In addition to how to safely introduce pets to babies, Dr. Costlow will address the following issues:

- Appropriate breeds for households with children
- Treating and vaccinating pets and other precautions parents can take to protect children from common zoonotic parasites.
- Pets, babies and allergies
- The importance of behavior and obedience training and more.

“Most pets are wonderful companions and enrich the lives of the families who have them,” says Dr. Costlow. “Not only can pets and babies live together safely, but given time, often become the best of friends. Every child should experience the joy of owning a pet.”

Babies R Us in Mount Olive is located at 50 International Drive, directly behind *Sleepy's*. For directions or more information, please call Evelyn Leon at 973-691-5939.
